The Southern Connecticut Chapter of the National Black Nurses Association Inc., wishes to continue its strong tradition of recognizing outstanding nurses for their continued contributions to the profession of nursing, patients and the community. One of the many ways we do this is to seek nominations of outstanding nurses in the categories listed below. We also recognize the importance of education and therefore provide several scholarships/awards that will assist nursing and perspective nursing students financially. All awardees will be recognized publicly at the *18th Annual Scholarship and Awards luncheon on April 25, 2010 at 2pm at Fantasia in North Haven.* Further details will follow.
